HEART'S DESIRE RESERVES THE RIGHTS TO 1st and 2nd PICKS OF ANY LITTERS WITHOUT NOTICE.

Hearts Desire Shiba Inus has the right to withdraw from the sale of any puppy at any time before final sale is completed if we feel that the sale would be detrimental to the physical and mental wellbeing of our puppy.

All deposits and payments will be refunded.

Once the puppies are born and you decide that you want a puppy from that litter, you will be required to submit a \$300 holding deposit for a puppy for limited AKC and \$500 for full AKC however, full AKC is only available to certain breeders. The holding deposit is NOT refundable unless the puppy you desire dies or becomes too ill to leave my home or if someone else who is ahead of you on the waitlist has picked it.

If you decide you can't have or don't want a puppy after you have placed a non-refundable holding deposit on one, I will transfer your deposit to another puppy for you at a later time when you are ready, for up to two years. After two years, your deposit will be forfeited and you will have to submit another deposit when/if you become ready for another puppy. I will keep your application on file for up to two years.

You may continue to stay on my waitlist and will be locked into the price for a puppy quoted to you when you submitted this application. However, once you've been asked if you're ready for a puppy, if you decline or pass, then you will be subject to a price increase as prices are subject to change without notice as AKC and my veterinarian continue to increase their fees and the price of dog/puppy food and other supplies continue to increase.

I will accept applications for puppies and if you are approved, you will be added to my waitlist per the date on your application.

After the puppies have whelped and you have confirmed that you want a puppy from that litter, you may submit the deposit by mailing a check or cashier's check to us or you may submit it via Apple Pay, Venmo or Cash App. I do not use PayPal. Full payments are due when puppies are six weeks old unless other arrangements have been made ahead of time.

When my girls are bred, I will send out ONE email BCC to everyone on the waitlist. PLEASE reply to the email and let me know whether or not you are ready for a puppy. If you are ready, you will be added to that litters waitlist in the order of your place on the main waitlist.

When it is your turn to pick, you will be allowed to pick from all puppies of the color and gender only that you have listed on this application, per your place on the litter's waitlist. Therefore, if you think that you might change your mind and wish to pick from ALL available puppies regardless of color or gender, then please list all colors and genders. Otherwise, if you put red male for example, then I will only contact you when it is your turn IF I have a red male available. If I do not have a red male available when it's your turn to pick, then I will pass you and contact all of the people who are wanting the colors and gender that I do have available.

Picking may begin when the puppies are three weeks old and you have until the puppies are four weeks old to pick your puppy for a pet (we will take a vote when everyone wants to begin picking their puppies. The majority rules). OR if we have a breeder or show person waiting for a puppy then we will wait until the puppies of the gender and color they are wanting are 6 weeks old and have been checked by our licensed veterinarian before picking begins, so that they may get the best for breeding or show quality. BREEDERS AND/OR SHOW PEOPLE AUTOMATICALLY MOVE TO THE TOP OF THE WAITLIST AS THEY ARE PAYING FOR THE BEST QUALITY PUPPIES AVAILABLE AND THEY ARE PAYING MORE FOR THEIR PUPPY IN ORDER TO GET THE BEST QUALITY.

I will take the puppies to the vet at three to four weeks of age for their first checkup. After my veterinarian has deemed the puppies healthy and free of heart murmurs and/or lung issues, then everyone who are still interested in a puppy from that litter may begin picking according to their place on the waitlist. If the puppy that you were hoping for has been picked by someone else, I will refund your deposit or you may wait until my next litter of puppies.

Once the first person has chosen their puppy, everyone else on the list will be required to choose their puppy within 6 hours so that the next person in line may select their puppy and so on, so not to keep everyone waiting. If you do not pick your puppy in the time allotted, the next person in line will be allowed to pick theirs ahead of you. THEREFORE, ON THE DAY THAT PICKING BEGINS, IF YOU HAVE OTHER OBLIGATIONS AND ARE NOT ABLE TO PICK YOUR PUPPY UNTIL A CERTAIN TIME, PLEASE NOTIFY ME AHEAD OF TIME SO THAT WE CAN MAKE SPECIAL ARRANGEMENTS SO THAT YOU WILL NOT MISS YOUR TURN.

I WILL NOT DO BUSINESS WITHOUT A SIGNED CONTRACT AND A HOLDING DEPOSIT.

ALL puppies, sales tax and all other fees, such as health certificate fees etc. must be paid in full at 6 weeks of age unless paying with a check. If paying by personal or cashier's check, I require that you send it when the

puppies are 5 weeks of age. I will send out reminders when the puppies are 4 and 5 weeks old. This is so that all funds have time to clear mine and your banks by the time the puppies are eight weeks old.

If a puppy is left at Heart's Desire longer than 9 weeks of age, the buyer will pay a boarding fee of \$20.00 per day.
